Catch Gloves

BRIAN'S CATCH GLOVES

The Brian's unmistakable style is carried throughout all our catch gloves, that feature the unique and original molded thumb that incorporates the cheater and thumb into one solid piece, eliminating cheater breakdown. The exclusive diamond weave lacing creates a deeper pocket. Clarino, used in Brian's gloves, improves durability and drying qualities. Brian's leads the goaltending world with the "tackified leather catcher". This proven patented material enhances the inside grip of the catch glove. Standard to our 850 and 851 models, but available on all models, Neumann Tackified Leather will secure grip-improving confidence and player performance.

THIEF

The model that set the precedent for all gloves. Its lightweight, quick break-in and large size has a redesigned palm for yet greater protection.

Blockers

BRIAN'S BLOCKERS

All Brian's blockers feature top-quality foam for excellent protection and rebound control, while focusing on light weight and strength. Our palm gives goalies a great "feel" while adding protection on the fingers. All blockers feature a unique hockey glove thumb to give the ultimate blocker protection. All pro blockers are standard with padded wrist straps. Neumann Tackified Leather is available on all blockers.

451

Our most popular blocker with a flared top. The short cuff gives you a greater stick-handling ability. The curved surface reduces skip-over, while giving you a more open cuff area.

FEATURES:

- ★ Centred hand and tilt options

301

The flared blocker gives young goalies more cuff area, enhancing stick-handling ability and rebound control. The redesigned face gives more blocking area.

FEATURES:

- ★ Centred hand and tilt options
- ★ Available in Jr. models

Blockers

Brian's new Floating Cuff (FC series) blockers were designed to increase shooting strength.

FC 451

- ★ Floating cuff increases shooting strength
- ★ Optional tackified palm for maximum grip
- ★ 1-3/4" thickness
- ★ Standard centre palm
- ★ Full thumb protection

FC 401

- ★ Floating cuff increases shooting strength
- ★ Optional tackified palm
- ★ 1-1/2" thickness
- ★ Standard centre palm
- ★ Full thumb protection

FC 301

The junior version of our FC451.

- ★ Floating cuff increases shooting strength
- ★ Optional tackified palm for maximum grip
- ★ Standard centre palm
- ★ Full thumb protection

Arm & Body

BRIAN'S ARM & BODY PADS

The entire line of Brian's arm and body pads is based on design concepts of free movement, protection and maximum blocking surface. Each model has adjustable straps and laced arms for the custom fit. Each design effectively absorbs and diffuses shots for excellent protection. Our new '94 pro elbows provide quick break-in and added protection. All feature our original spinal pad with a strip of Dupont Kevlar® for added spinal cord protection.

ALTRA

The Altra model redefines protection for the upper body. Shoulder wings extend up to the top of the shoulder and stationary shoulder cap for localized protection giving the goalie a broad, flat chest area. The belly flap allows the goalie to be in the crouch position and eliminates buckling of the chest pad.

FEATURES:

- ★ Regular and full right
- ★ Sizes XS, S, M, L, XL
- ★ Belly flap
- ★ New pro elbows
- ★ New concept belly blocks
- ★ Added rib protection
- ★ Added inner arm protection
