2012 will be one of the most exciting years in the history of our company since we began building quality goal equipment back in 1984. We have remained true to our principles in producing the highest standard of excellence for goal equipment manufacturing in the hockey industry. The **B★** team of experienced and skilled employees are more committed than ever before in delivering not only industry best quality goal products but providing leading edge technology in their product lines such as the new **SUPER** product line featuring strapless pads!

We lead with unsurpassed passion for the sport of hockey and specifically for the goal category like no other hockey company as evidenced by the strength of our social media presence on www.goaliesonly.com. In 2012, expect to see upgrades in our custom program to give every goaltender exactly what he or she desire in performance, design and graphics. In addition, we now offer two models, the B Star H Series (Halak) and M Series (Mason) value product lines to complete our product offering from top to bottom.

You our customers and members of our [www.goaliesonly](http://www.goaliesonly.com) fraternity, have allowed us to succeed like we never believed possible. Thank you for your encouragement, your feedback and your loyalty to our brand and most of all, for your business!
