

EA SPORTS <sup>PRO</sup> HOCKEY

2017  
COLLECTION

Passion, innovation and craftsmanship.

These 3 components are integral to the recipe here at Brian's. Our staff, dealer network and consumers demand the best and we strive to manufacture products that encompass all 3 of these elements in every piece of gear.

The 2017 lineup is led by the launch of the **CSX 777** and the Pro Import **CSX 777** available in Spring 2017. Additionally, the March 2017 release of the Canadian manufactured **HERITAGE** line will continue to bridge our history and future, utilizing modern technologies such as E foam, while providing gear with a vintage feel and aesthetic.

The Team at Brian's recognizes that we are a part of a strong community of goalies. From beginner to pro, this community shares the passion for details. As the "Kings of Custom" we make every effort to provide products which take these details to the next level, and transform them from ideas into reality.

Whether it be on the ice or online via social media, we truly appreciate the continued support, interest and feedback.

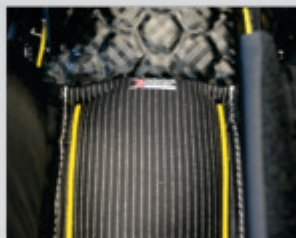

Best wishes for a successful 2017 season.
