FRONTIER[®]

H O C K E Y

WE, THE FRONTIER

Cold-blooded passion - that's the way we act at FRONTIER guided by our North European roots and mentality.

By feeling the keen spirit of the Sports and by producing Ice Hockey equipment which meets standards of the highest performance level.

FRONTIER - that's:

- a decade of production experience
- players and goalies equipped at the World Championships, Olympics and top European leagues KHL, Swedish Elitserien, Finnish SM-liiga, etc.
- product improvement experts and partners in FIN, SVK, CAN, RUS, CHN
- IIHF Supplier Pool membership status since 2006
- well-improved international brotherhood of FRONTIER Distributors

We don't talk too much at FRONTIER.
Just WIN THE GAME!

VISORS

Front Line Anti Scratch & Anti Fog Protection System:
 visors are surface treated by a special technology. There are antifog and antiscratch coatings applied on the inner / outer side. These layers stay active for the visor's lifetime if maintained properly.
