The Hackva Oath

We don't just sell masks, we sell satisfaction. We will not rest until every goalie wearing a Hackva is happy...and well protected.

The Hackva Warranty

Many companies assume once they deliver a product to their dealers their job is done...NOT US!!!

We offer an unmatched LIFETIME WARRANTY on our masks that we encourage our customers to take advantage of.

We will not leave you hanging. No questions asked we will repair or replace your mask for ever!!!

The Hackva 2608

- Completely manufactured from start to finish in Canada
- Full layer of kevlar for added impact resistance
- Full layer of carbon for optimal stiffness
- Ergonomically angled backplate to promote comfort and reduce fatigue on the neck
- Strategically mounted cage for enhanced peripheral vision
- Die-Cut 13mm VN liner for added comfort and protection against ringing in ears
- Removable Terry cloth sweatband with internal 1/4" comfort foam
- 1" Parachute elastic to ensure the proper amount of flex and tightness on 5 point harness
