

Here at Stomp Manufacturing we're striving to produce the finest goaltending products in the Hockey Industry. Our experience and ability to produce (start to finish) custom made goalie equipment is allowing us to establish ourselves as a high end Canadian Manufacturer. Many goaltenders worldwide already having confidence in the Stomp brand are learning that we are willing to go above and beyond to satisfy goalies at every level for both male and female athletes. We are addressing the concerns and issues of today's goaltender while creating ideas for superior protection, design and innovation.
